

# Creative Challenge

for Lent & Easter 2021

This a challenge to our St Andrew's community of all ages & all abilities! Your mission, should you choose to accept it, is to create something connected with Lent or Easter, either as a family or a solo effort.

Choose to make a painting or a drawing, a model or a photograph, some baking, an Easter garden or something sewn, knitted or crocheted! Write a song, a hymn, a poem, a blog or a story, or record a song, or a dance! Try anything - anything that is creative!

We will gather all submissions together and show them online, in worship on Easter Day, and who knows - maybe even in church!

This is a living exhibition of your expression of Easter in 2021 and we want YOU to be part of it! Have fun and let your creative juices flow.
